## One-Minute Guide to Prosperity and Enlightenment

### Book Description

Do You Want to Live an Outrageously Wonderful Life? The One Minute Guide to Prosperity and Enlightenment is a groundbreaking book, offering secret, easy-to-use techniques to help you attract health, wealth, love and happiness. Sri Siva, the spiritual teacher of the best-selling author Wayne Dyer, has written this book to help you live the life of your dreams. It reveals hidden teachings that have never been widely taught to people. Sri Siva, a member of the Tamil Siddha enlightenment lineage, has been given permission from his tradition to share this knowledge openly for the first time.

This book is ideal for busy people who do not have the time to spend hours in meditation or practicing complex spiritual techniques. Based on his personal experience in guiding countless people to miraculous manifestations, this book contains Sri Siva's most potent secrets for transformation. His goal is to help people lead an "outrageously wonderful life filled with abundance and new and expansive opportunities."
